**Source: Bloomberg. Daily correlation of Bitcoin (BTC-USD Pairing) relative to Canadian Equity (S&P/TSX Composite Index), Fixed Income (Bloomberg Barclays Global Aggregate Bond Index), US Equity (Russell 3000 Index), Gold (XAU-USD X-Rate; NY Gold Spot). Commissions, trailing commissions, management fees and expenses all may be associated with investment funds. Please read the prospectus before investing. If the securities are purchased or sold on a stock exchange, you may pay more or receive less than the current net asset value. The indicated rates of return are the historical annual compounded total returns including changes in share/unit value and reinvestment of all distributions and do not take into account sales, redemption, distribution or optional charges or income taxes payable by any security holder that would have reduced returns. Investment funds are not guaranteed, their values change frequently and past performance may not be repeated. March 31, 2021
