*Yield Shares provide 'enhanced' or higher yields in the form of additional monthly distributions compared to the underlying common stock Commissions, trailing commissions, management fees and expenses all may be associated with investment funds. Please read the prospectus before investing. Copies of the prospectus may be obtained from purposeinvest.com. If the securities are purchased or sold on a stock exchange, you may pay more or receive less than the current net asset value. The indicated rates of return are the historical annual compounded total returns including changes in share/unit value and reinvestment of all distributions and do not take into account sales, redemption, distribution or optional charges or income taxes payable by any security holder that would have reduced returns. Investment funds are not guaranteed, their values change frequently and past performance may not be repeated. Fund distribution levels and frequencies are not guaranteed and may vary at the sole discretion of Purpose Investments.
